PROFESSIONAL SKILLS

I love learning, I am very demanding and I always try to improve myself. I am a hard worker, a good team player, flexible and easy-going person. I am used to working with passion like I would be the business owner. I always work close to my boss making the work easier for everyone. I am a leader, I love to inspire my teammates with my example. I have a great capacity for analysis & decision making. My virtue is to find areas to improve and provide great solutions to solve all problems. I am always 100% involved in what the company needs. I love teaching adults and people with difficulties how to swim, as well as training high-level athletes.
